To whom it may concern

Alan Downey of Cyber Graphics has been designing & printing business cards for QuadPara Association of South Africa since 2005.

We have been extremely satisfied with his quality and service and continue to support him for our internal stationary printing requirements.

Since February 2008 Alan Downey has also been doing cartoons for the Rolling Inspiration Magazine & QASA. Over the last 6 years, his cartoons have covered a wide variety of different topics & often cover relevant problems, comments & situations that people with disabilities encounter on a day to day basis.

His cartoons are well priced & he always meets his deadlines, usually sending them in well ahead of time.

Both the Rolling Inspiration Magazine & QASA are extremely happy with the work he has been doing for us & the high level of service he delivers. We would highly recommend Mr Downey and Cyber Graphics for their professional services in this field.

Please feel free to contact me should you require any additional information.
